Hi Alyson-

Well, it looks like my Barnstable is still on for 5/9/12, though I am waiting to hear back from the ADA regarding the case. Also, there is a chance that I may be needed in Fall River Superior Court that day, and I'm also waiting to hear back from him about when he'll need me (the case in front of him pled). Any idea what is going on with your Johnson case? Thanks.

-Sonja

Thanks for the heads up Sonja – I'll talk to defense counsel and see if we can work something out (either a new date or postponing your testimony to the next day if you're available).

Hi Alyson-

I just received your summons for the Johnson case scheduled for trial on May 9, 2012, and wanted to give you a head's up that I might not be available as I have a case scheduled in Barnstable District Court that day. If I am needed, I'm guessing that I will not be able to get back to Springfield early enough to testify, and I somewhat doubt that you would be able to get to me early in the morning so I could get to Barnstable after lunch (I know how long selecting a jury can take, plus and motions, etc.) I will let you know when I know anything more definitive.
